Foundational Fluencies

Building Plans Booklet

Table of Contents

Unit 1: It's All About The Blocks	1
The Big Yellow Block	2
The Little Blue Block	4
The Angled Red Block	6
The Medium Green Block	8
Unit 2: I Am An Engineer	10
What Is An Engineer?	11
Patterns & Pyramids	12
What's In The Lab? (Inventory Mat 1)	13
What's In The Lab? (Inventory Mat 2)	14
Unit 3: Making Things Strong	15
How Much Load Can It Hold?	16
The Long Haul	17
Make Your Castle Strong	18
Unit 4: Making Things Move	19
Pushes & Pulls	20
Exploring Gravity	21
Make Your Castle Move	22

Unit 1:

It's All About The Blocks

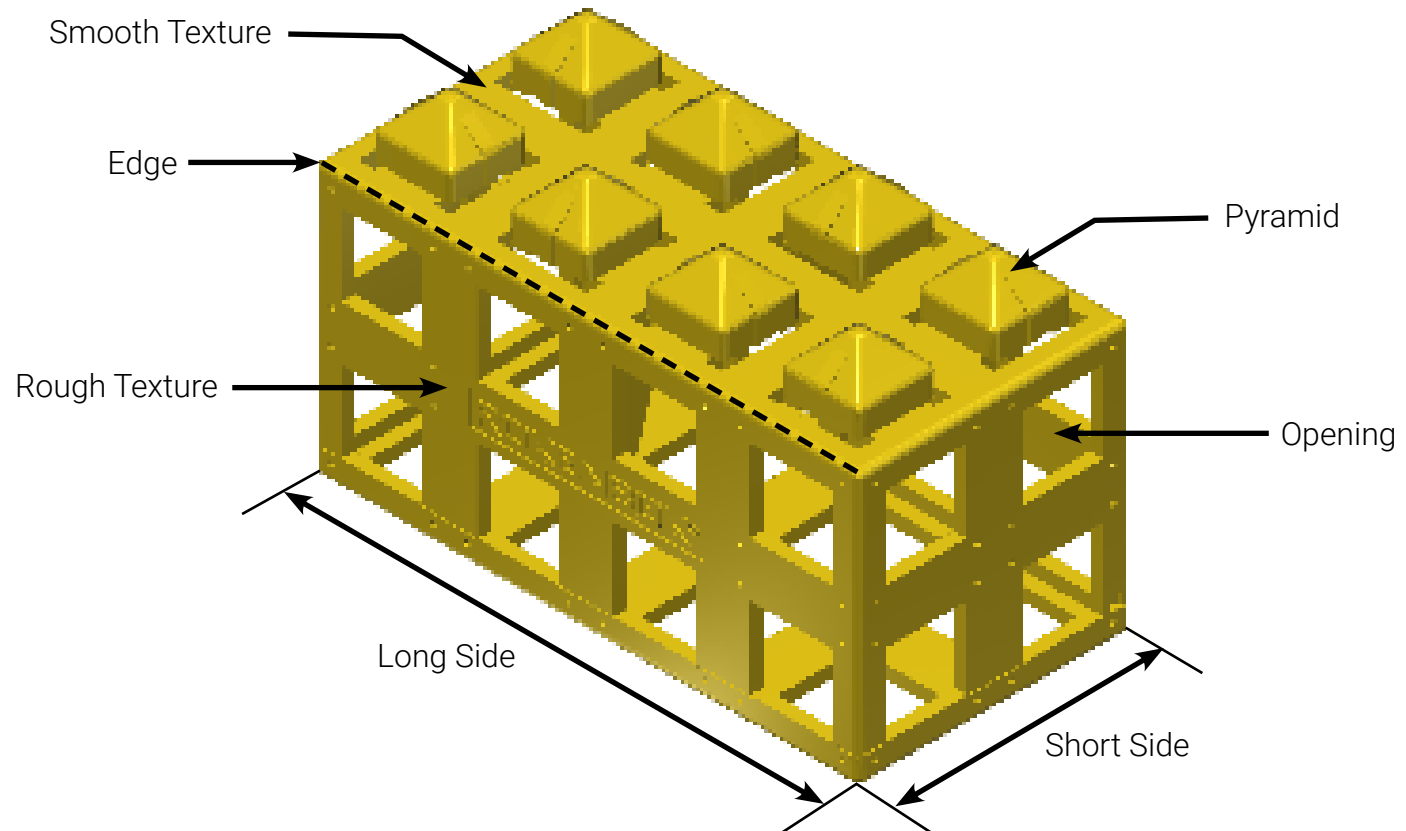

The Big Yellow Block

Foundational Fluencies: It's All About The Blocks

Building Plan

1

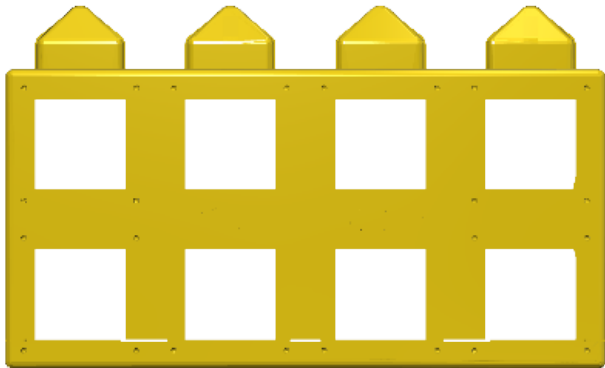

Yellow ROK Block

Building Components

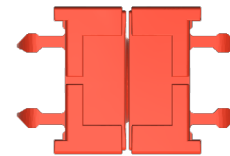

What's In The Lab?

Foundational Fluencies: I Am An Engineer

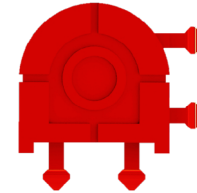

Inventory Mat 2

Braces

Axle Block

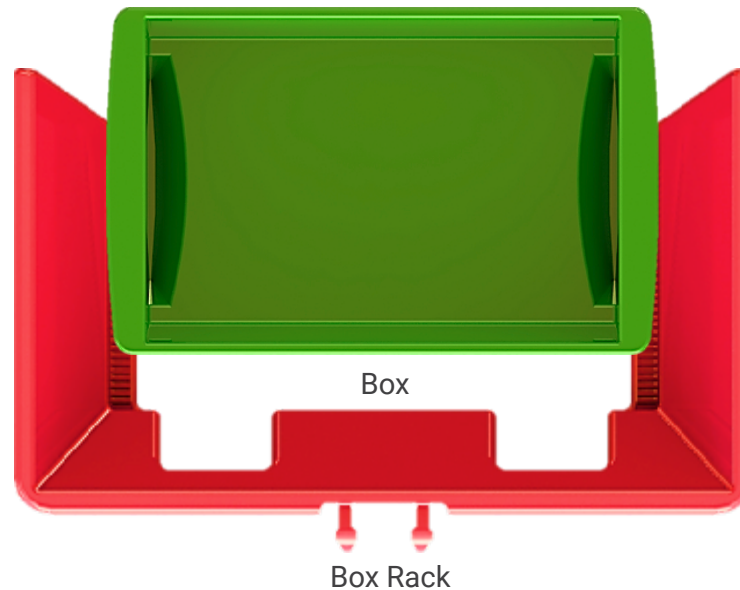

Hinge Block

Snap-In Wheel

Articulating Components

Tool

Accessory Components

Unit 3:

Making Things Strong

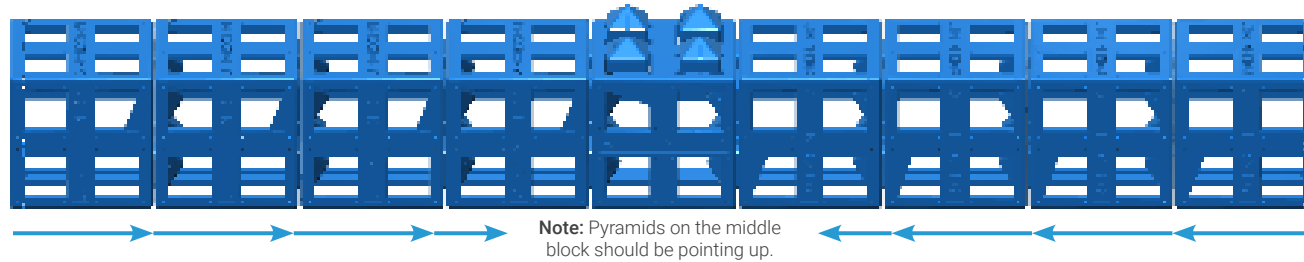

How Much Load Can It Hold?

Foundational Fluencies: Making Things Strong

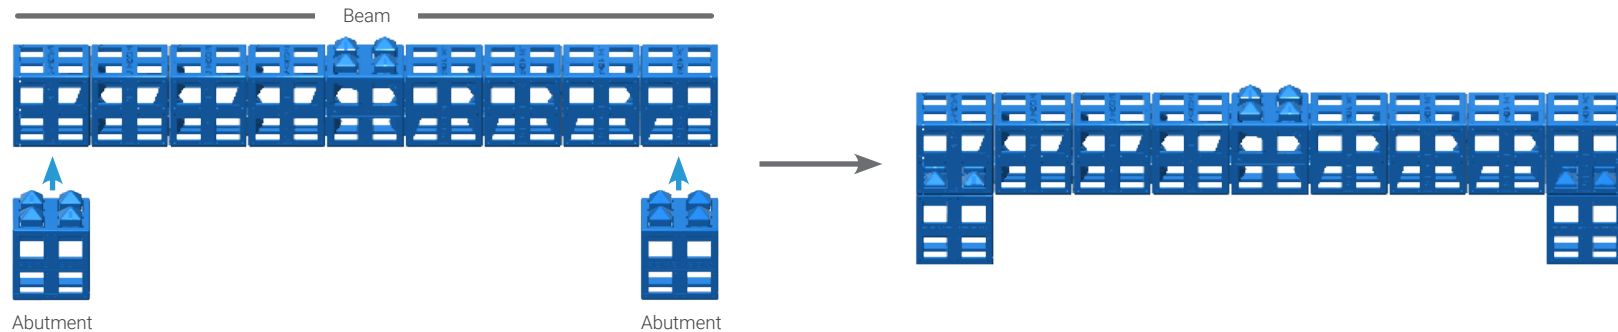

Building Plan

1

Blue ROK Block

2

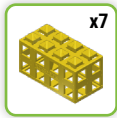

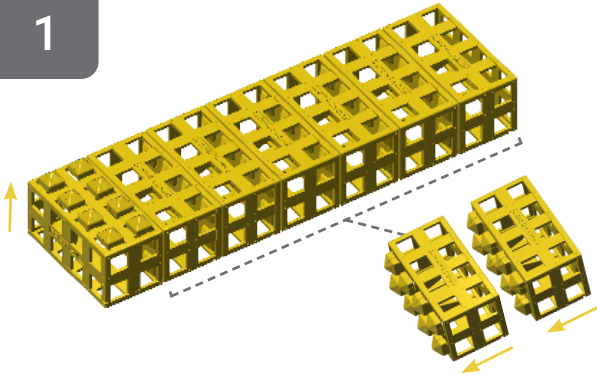

Blue ROK Block

The Long Haul

Foundational Fluencies: Making Things Strong

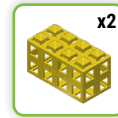

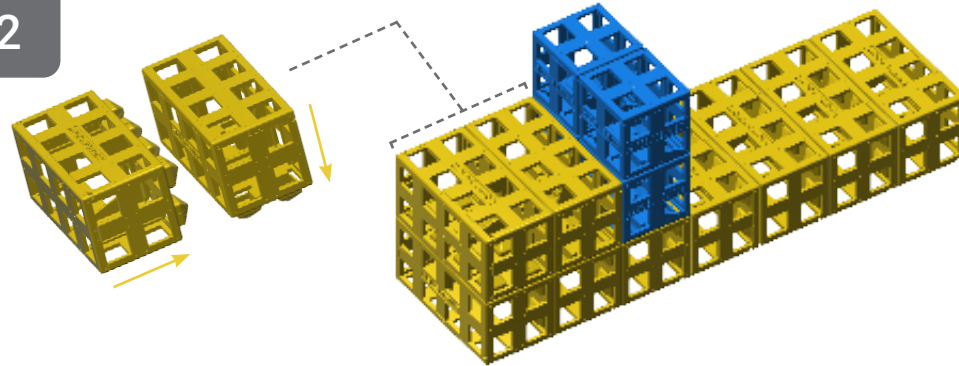

Building Plan

1

Yellow ROK Block

2

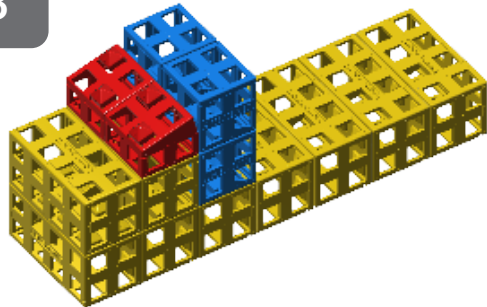

Yellow ROK Block

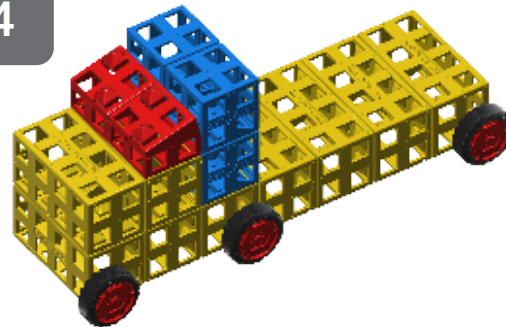

Blue ROK Block

3

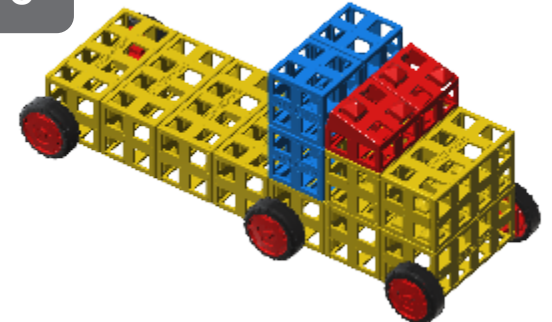

Red ROK Block

4

Snap-In Wheel

5

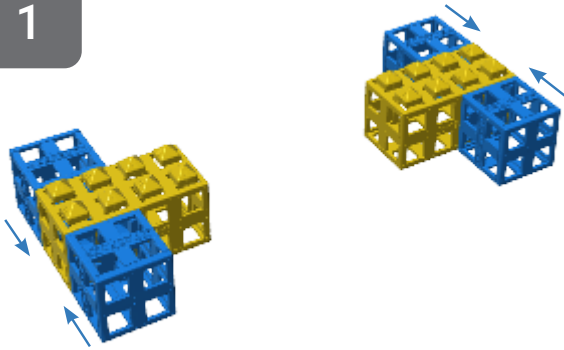

Snap-In Wheel

Make Your Castle Strong

Foundational Fluencies: Making Things Strong

Building Plan

1

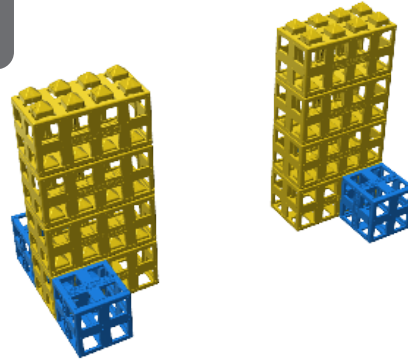

Yellow ROK Block

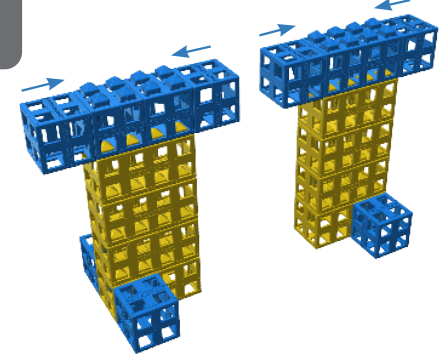

Blue ROK Block

2

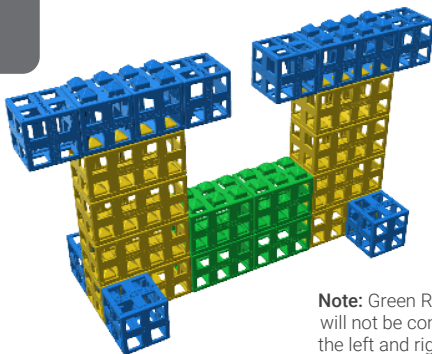

Yellow ROK Block

3

Blue ROK Block

4

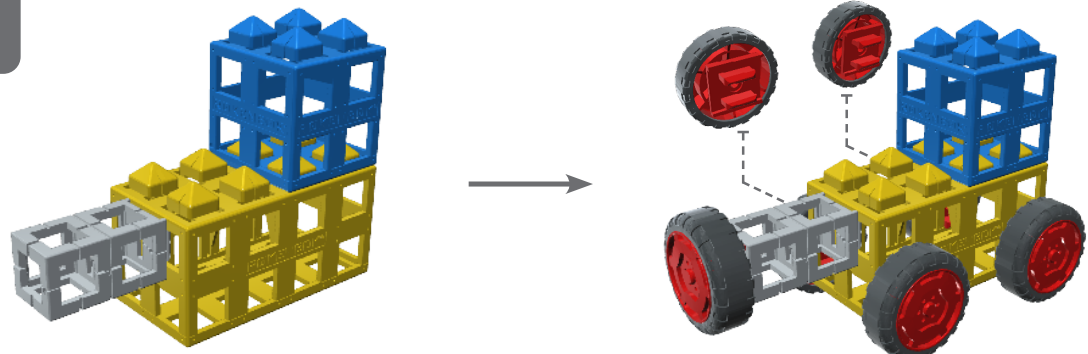

Note: Green ROK Blocks will not be connected to the left and right towers.

Green ROK Block

5

Yellow ROK Block

Blue ROK Block

Riser

Snap-In Wheel

Unit 4:

Making Things Move

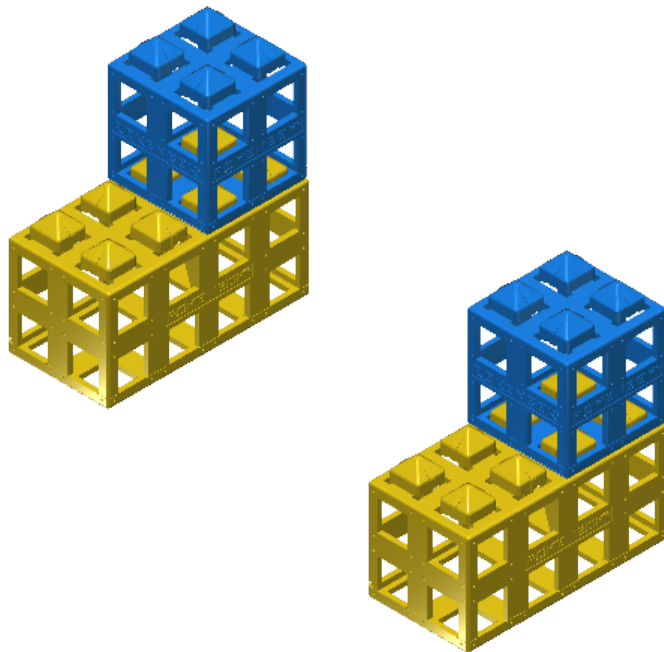

Pushes & Pulls

Foundational Fluencies: Making Things Move

Building Plan

1

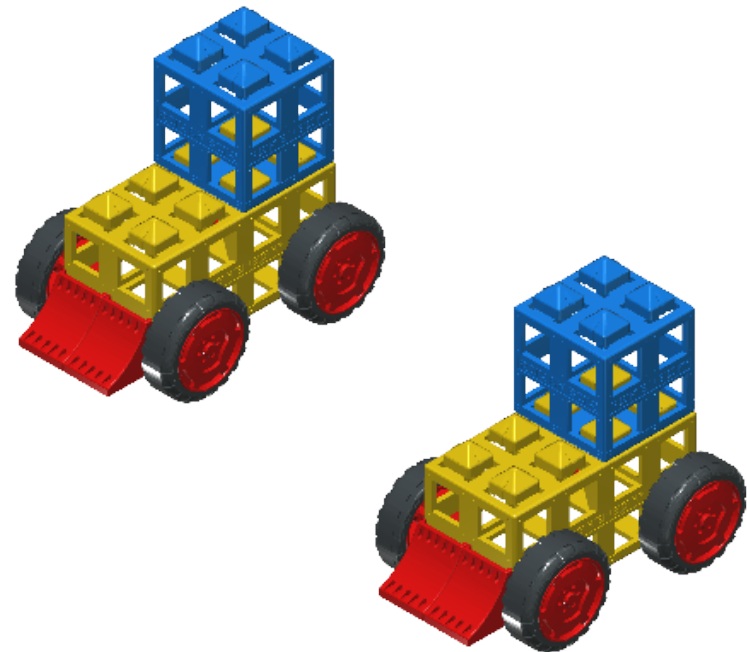

Yellow ROK Block

Blue ROK Block

2

Snap-In Wheel

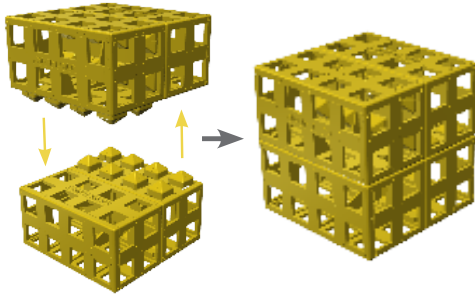

Corbel

Exploring Gravity

Foundational Fluencies: Making Things Move

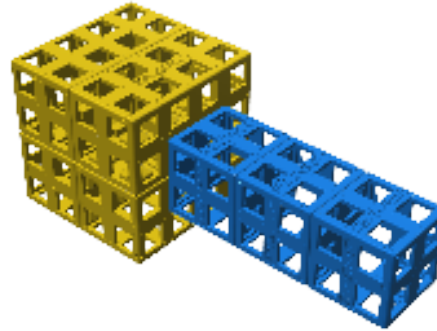

Building Plan

1

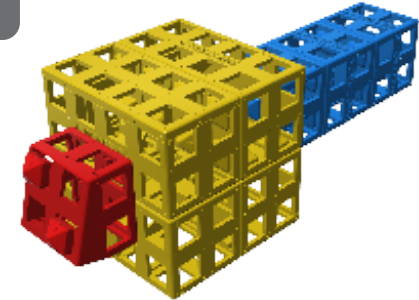

Yellow ROK Block

2

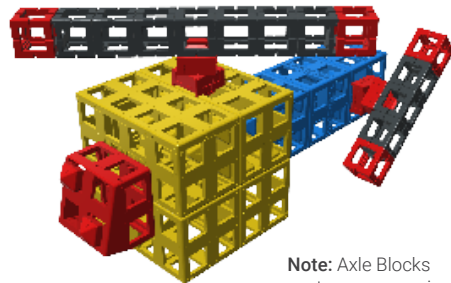

Blue ROK Block

3

Red ROK Block

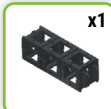

4

Note: Axle Blocks connect across openings as shown.
