LETTER FROM LEADERSHIP

We appreciate all of our impactful partnerships and generous supporters who have helped us to provide innovative, life-changing programming to over 12,000,000 at-risk youth in underserved communities in all 50 states since we started our mission to help others in 2001.

Thanks to the commitment of our dedicated Board of Directors, donors, program partners, and staff, in 2022, we were able to impact over 1.3 million kids with the help of 597 youth partners and law enforcement agencies in 46 states, Washington, D.C. and Canada.

We hope that you will be as inspired by the incredible milestones we have achieved this past year. We are excited to share this report with you as we continue to work hard to bring positive change to the lives of at-risk youth, transforming communities across the country.

Harold Himmelman
Chairman, Board of Directors

Steve Salem
President & CEO

CAL, SR.’S LEGACY

“WHAT YOU DO TODAY IS PRACTICE FOR HOW YOU WILL LIVE TOMORROW.”

CAL RIPKEN, SR.

Founded to honor the legacy and life of Cal Ripken, Sr., a longtime coach and mentor, the Cal Ripken, Sr. Foundation prepares at-risk youth for life’s challenges by teaching them critical life skills such as teamwork, communication, work ethic, and respect. Our character-building and educational programs give youth the tools they need to succeed in life and thrive within their communities.

Since 2001, the Ripken Foundation has seen steady growth and added programs, including building Youth Development Parks and STEM Centers, curricula, and initiatives that fortify our mission and ability to mentor young people in distressed communities across the country.
**OUR REACH & IMPACT**

1,313,443 kids were impacted in 46 states, Washington, D.C., and Canada.

112 Youth Development Parks in 27 states & Washington D.C.

277 STEM Centers in 19 states.

597 youth partners and law enforcement agencies engaged in 374 cities and towns.

10,248 coaches, mentors, law enforcement, and volunteers working to share Ripken Foundation programs.

458,940 hours of mentoring.

410,296 youth reached by Ripken Foundation’s Online Resource Portal.

Note: This map shows the Ripken Foundation’s overall impact and reach in the United States since 2001.
YOUTH DEVELOPMENT PROGRAMS

BADGES FOR BASEBALL

Our signature program, Badges for Baseball, created in partnership with the U.S. Department of Justice, connects law enforcement officers with at-risk youth during the critical out-of-school hours when they are most likely to commit or become a victim of crime. Using sports as the hook, law enforcement officers throughout America interact with young people and give them the tools to make smart decisions and reach their potential. In 2022, Badges for Baseball was implemented in 111 communities in 26 states and Washington, D.C., impacting 38,245 kids.

The cornerstone of our programming is the Badges for Baseball Coaches Manual youth development curriculum and character education flipbooks, Healthy Choices, Healthy Children. Endorsed by the Association for Middle Level Education, this curriculum helps mentors to teach at-risk youth to develop sound decision-making skills by discussing choices and their consequences. These easy-to-read, handheld resources focus on:

- Adaptive Sports
- Civics & Leadership
- Financial Literacy
- Fitness
- Nutrition
- Resilience
- Rising Above Bullying

Each flipbook allows our mentors and coaches to incorporate fun and fresh ways to keep kids active and practicing a healthy lifestyle.

Partnerships with federal and state government organizations, combined with support from private corporations, continue to help the Foundation impact kids year after year.

In Maryland, 11,800 kids participated in Ripken Foundation programs through 18 youth organizations, thanks to the support of multiple partnerships, including: University of Maryland Medical System; The Kahler Foundation; South Baltimore Gateway Partnership; the Governor’s Office of Crime Control & Prevention; the Office of Juvenile Justice and Delinquency Prevention; and the Washington/Baltimore High Intensity Drug Trafficking Area Task Force (HIDTA).

In North Carolina, 7,663 kids participated in Ripken Foundation programs through 8 youth organizations, thanks to the support of the Niagara Bottling, and the Office of Juvenile Justice and Delinquency Prevention.

Through a partnership with Niagara Bottling, 14,923 kids benefited from our Healthy Lifestyles program, Community Enhancement Programs and Ripken STEM Centers in California; Connecticut; Illinois; Indiana; Maryland; Minnesota; Mississippi; Missouri; Nevada; North Carolina; Oklahoma; Pennsylvania; Tennessee; Texas; and Virginia.

In Florida, 3,310 kids participated in Ripken Foundation programs through 6 youth organizations thanks to the Office of Juvenile Justice and Delinquency Prevention, Group1001, and the Naples Children & Education Foundation.

In Texas, 5,769 kids participated in Ripken Foundation programs through 5 youth organizations, thanks to the support of Niagara Bottling; and the Office of Juvenile Justice and Delinquency Prevention.

In Mississippi, 140 kids participated in Badges for Baseball through 2 youth organizations across the state, thanks to the Office of Juvenile Justice and Delinquency Prevention.

In our continuing partnership with UnitedHealthcare, 8,792 youth have benefited from our Healthy Lifestyles program, and Community Enhancement Projects in Richmond, VA; Seattle, WA; San Antonio, TX; Phoenix, AZ; and Los Angeles, CA.

Through multiple partnerships in California, 13,459 kids participated in Ripken Foundation programs with the help of 6 youth organizations thanks to the support of Niagara Bottling; and the Office of Juvenile Justice and Delinquency Prevention.

2022 SNAPSHOT OF OUR MOST SUCCESSFUL PARTNERSHIPS

KEEPING KIDS SAFE

Keeping the kids in our programs safe is a top priority for the Ripken Foundation. Our National Child Protection Tool Kit is designed for youth-serving organizations to keep children safe from those who seek to harm them. This first-of-its-kind resource includes our Child Protection Policy, affordable background checks, child safety training videos, and resources, available to any organization in America at no cost to all who register online at www.ripkenfoundation.org/resource-portal. In 2022, nearly 207 mentors completed our background checks and over 410,296 youth had access to Ripken Foundation youth development programs through the Resource Portal.
In Baltimore, opportunities for our youth and teen members to interact with law enforcement are often not at the time or manner of their choosing. And, unfortunately, far too many of our members have their first interaction with law enforcement in a negative situation. Through our work with the Ripken Foundation and their Badges program, we’ve been able to introduce over 2,000 young people to law enforcement in a positive, friendly, and developmentally appropriate way. In addition to the community benefits, we’ve seen attendance increases, behavior changes, and overall positive effects on our Club climate on days when Badges is being implemented.

- Jeff Breslin, President and CEO
Boys & Girls Clubs of Metropolitan Baltimore
One of the primary initiatives of the Cal Ripken, Sr. Foundation is to provide clean, safe spaces for kids to play and learn. Our Youth Development Parks are multipurpose or baseball, synthetic surface, low-maintenance fields designed to provide at-risk youth the opportunity to play and learn. Our Youth Development Parks, bringing our grand total to 112, including 20 Adaptive Fields for kids with special needs. Currently, we have parks operating in 27 states and Washington, D.C., giving over 524,000 kids access to a Ripken Foundation Youth Development Park.

Giving underserved kids access to STEM (Science, Technology, Engineering, and Math) learning is a priority of the Cal Ripken, Sr. Foundation. Launched in 2016, today, we have over 300 fully operational, turnkey STEM programs in California, Connecticut, Florida, Georgia, Indiana, Maryland, Minnesota, Mississippi, Missouri, North Carolina, North Dakota, New Mexico, Oklahoma, Pennsylvania, Tennessee, Texas, Virginia, Washington, and Wyoming, as well as five district-wide public school systems, thanks to our corporate sponsors, including: Amazon, Battelle, BGE, Brooke Butler Wagner, Devon Energy, Don Kirk, Edgewater Federal Solutions, Group 1001, Kahlert Foundation, M&T Bank, Marathon Oil, Niagara Cares, Permian Strategic Partnership, University of Maryland Medical System, Weller Development Partners, Whiting-Turner, and XTO Energy. Our STEM program can be easily implemented in any community and requires no set space which gives underserved kids in disadvantaged neighborhoods the opportunity to participate in STEM activities. Engaging kids at the elementary and middle school levels will encourage kids to start thinking about educational attainment and their future career paths in STEM. Each Ripken Foundation STEM Center is equipped with computers, STEM activity kits, and the Ripken Foundation STEM Curriculum Guidebook with age-appropriate lessons, as well as printers, furniture, and technical support. The Ripken Foundation program staff trains mentors and teachers to deliver a comprehensive STEM program. And each program site is invited to participate in our annual STEM Challenge competition that uses real-world problems to encourage students to apply STEM skills and knowledge to develop innovative solutions. Teams from our STEM Centers across the country present their solutions to a panel of judges and winners are selected.

Over 100,000 youth impacted

SUMMER CAMP

Over the last 17 years, over 8,000 underserved youth have enjoyed attending the Ripken overnight summer camp. In 2022, we hosted participants from program sites where all campers were provided with baseball equipment and apparel donated by corporate sponsors, including: Under Armour, BSN, and Rawlings. Transportation for all campers and chaperones were provided by Eyre Bus, Tour & Travel, and Southwest Airlines, the official airline of the Cal Ripken, Sr. Foundation.

Through our collaboration with national law enforcement agencies, including the U.S. Marshals Service kids are able to experience a mobile command center, see a police helicopter landing, interact with K-9 dogs and officers, and experience other exciting demonstrations. During camp, kids get to live in cabins and meet other youth from across the country. They play baseball and softball, challenge themselves on a ropes course, climb a rock wall, fly across a zip line, and swim, while enjoying the pleasures of just being a kid. All activities and guest speakers reinforce important life lessons kids learn at their local Badges for Baseball programs, like the importance of teamwork, personal responsibility, and communication.
HISTORICAL IMPACT OF COMMUNITY ENHANCEMENT PROJECTS

Over 101,000 students, families, volunteers, teachers, and coaches impacted

Over 6,000 pantry and supply items distributed

Over 1,300 meals and take-home kits distributed to students lacking health and nutrition resources

56 schools and community organizations supported

Over 306,000 square feet of fitness, outdoor, and nutrition spaces renovated or activated

THANK YOU TO OUR NATIONAL SPONSORS FOR VOLUNTEERISM AND EMPLOYEE ENGAGEMENT PROJECTS.

Volunteerism and engagement are very important parts of our corporate partnerships which allow us to give back to communities and the youth-serving organizations we partner with throughout the year. Over the last five years, the Ripken Foundation has worked with national corporations to build, renovate, beautify, and bring joy to underserved communities across the U.S. through local Community Enhancement Projects. With the help of hundreds of employee volunteers, we have impacted over 101,000 people with some of the following community-based initiatives: constructing and renovating community gardens; outfitting school weight rooms and food pantries; cooking and serving healthy meals; providing sports equipment and sports-themed youth development programming; hosting sports clinics; and more.

With the help of Home Depot, Niagara Cares, UnitedHealthcare, and the WAY Foundation, we have been able to enhance fitness, nutrition, and wellness programming at our program sites across the country, while also giving opportunities to volunteer in the communities they work and live.
OTHER YOUTH PROGRAMS

I’M GREAT

I'm GREAT is a year-round youth development and mentoring program for middle school-aged girls that the Ripken Foundation introduced in 2017. This leadership program is structured around six important concepts: teaching girls how to be real, reflective, respectful, responsible, resilient, and remarkable.

HEALTHY LIFESTYLES

The Niagara Cares-funded Healthy Lifestyles program consists of easy-to-use fitness and nutrition activities for mentors to get kids moving and engaged while using a discussion-based curriculum to teach helpful dietary tips and cooking lessons that can be implemented in an afterschool or classroom setting.

BADGES FOR BASEBALL INSTRUCTIONAL LEAGUES

The Ripken Foundation provides youth-serving organizations with the resources they need to run an effective program. We teamed up with the MLB Reviving Baseball in Inner Cities (RBI) program to create Ripken Foundation Instructional Baseball/Softball Leagues for our program partners. These leagues offer kids in underserved communities around the country a chance to play in a baseball or softball league with no fees. Every league consists of at least four teams, an eight- to ten-week schedule with play-off games, and a copy of Cal, Sr.’s Guide, a guidebook on rules of the game for coaches and mentors. Each player also receives a uniform and glove.

COLLEGE DAY EXPERIENCES

As part of the Cal Ripken, Sr. Foundation’s goal of encouraging young people to continue toward a path of educational attainment, we offer special experiences in partnership with colleges and universities. These one-day events provide at-risk youth with their first exposure to college life and all that it has to offer. Important elements of each College Day Experience include: a tour of campus; interaction with student athletes; guest speakers and special presentations; and opportunities for kids to discuss avenues toward higher education.

In 2022, we hosted seven College Day Experiences at Florida Southwestern State University, Springfield College, Coppin State University, Salisbury University, and Everett Community College. The kids watched a presentation from the Admissions Department giving insight on how to apply and get into college. Youth also got to experience a virtual tour of campus and participate in a question-and-answer panel with student-athletes to learn what it is like to balance academics and athletics. Additionally, we hosted one in-person College Day Experience at Maryville College in Tennessee. Attendees participated in an admissions-led campus tour, college planning session, and had the opportunity to watch a NCAA volleyball game.

In 2022, our Badges for Baseball program reached over 38,000 youth across 26 states and D.C. with the help of 1,932 mentors.

Our Healthy Lifestyles program impacted 8,107 youth with the help of 360 mentors in 2022.
Since the inception of Badges for Baseball, the Ripken Foundation has worked closely with community-based organizations to not only implement our programs but evaluate the effectiveness of our efforts.

In 2018, the University of Michigan Prevention Research Center concluded a three-year research study of Badges for Baseball that officially categorized our program as evidence-based and helped us to better understand the effects of our program on youth developmental outcomes. Participants in the Badges for Baseball program are highly likely to develop in positive ways, according to these new research results. Using a longitudinal evaluation design, the research team assessed 24 developmental outcomes among Badges for Baseball participants at 14 sites across the U.S.

The key results of the University of Michigan study revealed that the Badges for Baseball participants showed significant improvement in the following measured outcomes: perceptions of substance use risk, reduction in aggressive behavior, school disciplinary actions, empathy skills, social competence, conflict resolution skills, peer support, academic competence, self-worth, personal values, community engagement, and leadership ability. The participants in the Badges for Baseball program also improved at a significantly faster rate than the other youth program participants in the following outcome measures: reports of personal values including personal commitments to be ethical, honest, hard-working, and responsible. In addition, the Badges for Baseball participants reported higher relationship skills, psychological well-being, personal values and behaviors, as well as a decrease in risky behaviors.

The three-year study by the University of Michigan Prevention Research Center concluded that Badges for Baseball is a valuable and effective platform for at-risk youth to learn critical life skills that help them to pursue and achieve their goals in life as well as build healthy, productive connections with law enforcement.

74% of parents, 88% of teachers/mentors and 91% of law enforcement officers saw participants become more comfortable interacting with law enforcement officers.

More than 70% of mentors indicated that participants were spending time with a more positive group of friends.

Over 75% of mentors noticed participants behaving more responsibly and better able to give good reasons for their actions.

More than 80% of mentors saw mentees working harder as a result of program participation.
**EVENTS**

**ASPIRE GALA**
Co-Chairs: Tony Reagins, Hon. Regina Schofield & Dan Towriss
On March 26, 2022, the Cal Ripken, Sr. Foundation was honored to have its friends, sponsors, and honorees come together at the Baltimore Marriott Waterfront Hotel to celebrate the work of the Foundation! We honored NBA Hall of Famer, Julius “Dr. J” Irving, Paralympic Gold Medalist, Jessica Long, and MLB Hall of Famer, Ozzie Smith.

**WINDY CITY GOLF AT CAVES**
Co-Chairs: Calvin Butler & Ron Kaminski
The Windy City Golf Classic with Cal Ripken, Jr. was held at Caves Valley Golf Club in Owings Mills, MD. Thanks to board members Calvin Butler and Rob Kaminski, funds were raised from a day on the greens to support the work of the Foundation.

**CREIGHTON FARMS GOLF CLASSIC**
Co-Chairs: Scott Brickman & John Lee
Friends of the Foundation came together on May 16, 2022, in Aldie, Virginia to hit the links. A rain delay turned the day into a lunch and fireside chat between Cal Ripken, Jr. and University of Maryland College Basketball Hall of Fame Coach, Gary Williams. Funds raised went to directly support the Foundation.

**RIPKEN GOLF CLASSIC**
Co-Chairs: Frank Kelley III, Paul Nolan & Tyler Tate
On May 9, 2022, we hosted the 16th annual Ripken Golf Classic at Woodholme Country Club in Pikesville, MD. A fun and beautiful day to benefit programming was more than par for the course.

**WINDY CITY GOLF AT CAVES**
Co-Chairs: Calvin Butler & Ron Kaminski
The Windy City Golf Classic with Cal Ripken, Jr. was held at Caves Valley Golf Club in Owings Mills, MD. Thanks to board members Calvin Butler and Rob Kaminski, funds were raised from a day on the greens to support the work of the Foundation.
EVENTS

CRABS & OYSTERS WITH CAL
Chair: Mark Weller
October 27th was an exciting day at Nicks Fish House in Baltimore, MD with live entertainment, local crabs and oysters, cigars, and famous local brews. Thank you to Weller Development and all the sponsors that made this night special! Funds raised for this evening went towards opening a STEM Center in Baltimore, MD.

SMOKE & BARREL
Co-Chairs: Bradie Barr, John Maroon, & Mark Puente
The Ripken Foundation and Jonathan Ogden Foundation hosted another Smoke and Barrel event. Attendees enjoyed bourbon tastings paired with culinary favorites donated by local restaurants, as well as an evening of cigars with Cal Ripken, Jr., Jonathan Ogden and other Baltimore athletes.

GAME CHANGERS
Co-Chairs: Warren Bischoff, Robbie Callaway, & Harold Himmelman
On December 7th we welcomed Baseball Hall of Famer, Jim Rice at the Four Seasons Hotel, Washington, D.C. Guests enjoyed dinner as well as a conversation with Cal Ripken, Jr. and Jim Rice, emceed by Johnny Holliday.

MEN’S COLLEGE BASKETBALL TIP-OFF
Co-Chairs: Terry Arenson, Frank Coletta, & Mark Rohde
Basketball is back! After a hiatus, our popular Basketball Tip-Off event was back in Baltimore, MD. The luncheon had a great conversation of panelists: College Basketball Hall of Fame Coaches Gary Williams and Jay Wright, UMD coach Kevin Willard, Villanova coach Kyle Neptune, and ESPN’s, Scott Van Pelt.

RIPKENS UNCORKED
Honorary Chairs: Hon. Laura Ripken & Cal Ripken, Jr. and Chaired by Stacie Wollman
This past September our friends and sponsors came together to enjoy wine and a selection of culinary favorites on the South River in Edgewater, MD. We had the pleasure of having the Sports Junkies emcee the evening. All proceeds went to support the work of the Foundation.

(Right column, Top to Bottom): Marc Weller and Frank Kelly III; Cal Ripken, Jr., and Jonathan Ogden; Dr. Mohan Suntha, Mark Puente, and Bradie Barr; Sagamore Spirit representatives; Warren Bischoff, Steve Salm, Jim Rice, Calvin Butler, Cal Ripken, Jr.; Robbie Callaway, and Harold Himmelman. (Above, L to R): Johnny Holliday, Jim Rice, and Cal Ripken, Jr.

(L to R): Sandy Brook, Laurie Ripken, Cal Ripken, Jr., Kari Benoit, Kristin Fleckenstein, Stacie Wollman, and Lauren Gill Postma; Brandy Anderson, Larry Sheets, Eddie Murray, DJ Sourhoff, and Cal Ripken, Jr.; Jennifer Muller, Martin Muller, Missy Corriere, Joe Corriere, Kaye Crumbling, and Joe Crumbling.

(L to R): Kirby Smith, Kevin Powderly, and Dr. Mohan Suntha; Joshua Wagner, Sherril Rock, Rosalie Butler Wagner, and Dan Rock.

(Right column, Top to Bottom): Terry Arenson, Kevin Willard, Cal Ripken, Jr., Gary Williams, Scott Van Pelt, Jay Wright, Kyle Neptune, and Frank Coletta.
NATIONAL CORPORATE PARTNERSHIP

As the Ripken Foundation continues to see a rise in the number of kids impacted through our signature programs and initiatives, we are so fortunate to partner with amazing companies who assist with the increasing needs across the country.

THANK YOU

to our national corporate sponsors who believe in the work that we do.

FINANCIAL INFORMATION

Independent Auditors’ Report

To the Board of Directors of the Cal Ripken, Sr. Foundation, Inc.:  

Opinion  
We have audited the accompanying financial statements of the Cal Ripken, Sr. Foundation, Inc. (the Foundation), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion  
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements  
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation’s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors’ Responsibilities for the Audit of the Financial Statements  
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:
- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HOW YOU CAN HELP

There are many ways you can help the Cal Ripken, Sr.
Foundation. Your financial support will allow us to continue
to offer important programs for underserved youth.

Donate Online
It’s easy! Make a tax-deductible donation online at
www.ripkenfoundation.org.

Match your gift
Contact your company’s human resources department to find
out if your employer matches charitable donation to double
your investment.

Event Sponsorship
Sponsor one of our many special events throughout the year.

Gifts of Stock
If you use publicly traded stocks, bonds, or mutual fund
shares to make your gift, you will receive an additional tax
benefit: the IRS allows you to make your transfer to the Cal
Ripken, Sr. Foundation without recognizing capital gains on
the appreciation. You can make a larger donation than you
could make with cash and receive a larger tax deduction.

Planned Giving
Regardless of your age or the size of your estate, there are
many vehicles that allow you to balance your own income
needs, the needs of your family, and your philanthropic
interests.

Follow Us on Social Media
Support the Ripken Foundation by starting a fundraiser on
your Facebook page for your birthday or other important
milestone.

You can also contact our offices at 410-823-0043 about gift
opportunities.

THANK YOU!
